Discover the bohemian heart of the city that gave Port-wine its name... sail deep into the mountain landscapes of Portuguese wine country to find wine estates, lush vineyards, idyllic riverside villages, baroque castles, hilltop medieval ruins, and rock art from the valley's earliest inhabitants... Our eight-day riverboat cruise on Portugal's Douro River offers an authentic taste of life and world-class wines in a region steeped in winemaking for over 2,000 years.

Highlighted by:

- An exclusive reception and private dinner at a renowned Douro Valley wine estate, featuring locally produced wines in a private setting
- Pedal through the Vinho Verde wine country on a bicycle tour, where Portugal's celebrated "Green Wine" (fresh, light wine) is produced
- Enjoy a choice of a vineyard hike or Pinhão orientation walk, followed by an afternoon wine estate visit or an exclusive Port cocktail-making workshop
